

## **Come Back**

April 27, 2003

Come back...

Let me hold you in my arms for just a while  
Let me feel your heart beat oh so close to mine  
Let me touch your face, your hair, and call you mine  
Mine...

Come back  
Close the door  
Leave your shirt there  
On the floor  
Settle down  
On the bed  
On the pillow  
Rest your head  
Put your arm  
Around my waist  
And close your eyes now  
Just in case  
I should kiss you  
Kiss you...  
Kiss you...

Come back...
