

Disappointment

August 17, '98

So he isn't what you think--
Or at least,
He isn't what he could be--
What you want.
Of course it's disappointing--
Especially,
So much time you've...
Attraction,
Interest,
They hurt more often than not.
You try--
But it still hurts.
He drifts farther away
From that ideal.
The ideal you developed,
And he never knew.
But of course...
You can still always hope.
