

Undaunted

Fall '97

Don't tell me
That you can't see
And that you don't
Understand

I know you
As you know me
And we are one
Forever

Oft you cry
You really try
To bring me down
Uncertain

I'm not scared
My soul is bared
You know my mind
Unshrouded

Still you try
I don't know why
For here I stand--
Undaunted
